What medications if any are being used (even if the dog has not had surgery)? _____

Prognosis? _____

Has this dog ever had an injury? _____

What type? _____ Results? _____ What age? _____

Comments: _____

In order for us to compile more LMX and PER data that can be used to improve future generations for all to enjoy, we would appreciate it if you would provide us with the following information:

My dog is now _____ years of age. His/her full name is: _____

His sire's ISSR / Other # is: _____ His dam's ISSR/ Other # is: _____

If you need more space for additional hip data, please write on a separate piece of paper or please make a copy of this page for each additional report on dogs you own/owned that need to be added to this survey and staple to this sheet. Then mail everything to: TCCP, 702 Rein Dr., Killeen, TX 76542

Your cooperation is greatly appreciated!
